

“Leaving No One Behind: Sustainable WASH Services in Rapidly Changing Context”

Targeting the Poorest and the Most Vulnerable: The Tools and Methods

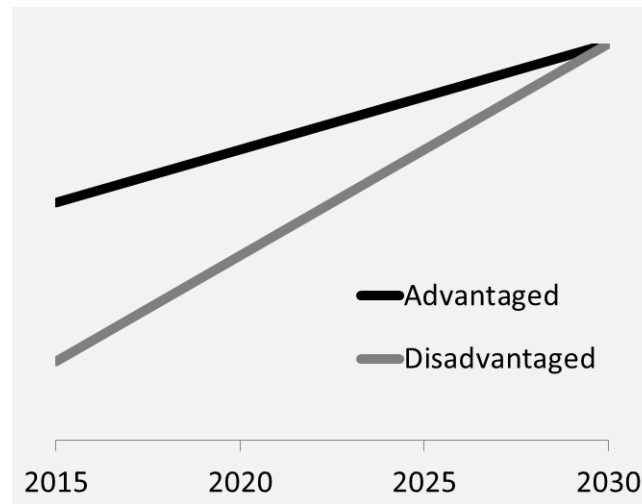

Evariste Kouassi Komlan, Regional Adviser, WASH
UNICEF EAPRO, Bangkok

Marina Barrage

SDG targets 'leave no one behind'

- SDG indicators to be disaggregated where relevant
 - income,
 - sex,
 - age,
 - race,
 - ethnicity,
 - migratory status,
 - disability and
 - geographic location,
 - or other characteristics

Key examples

- Cambodia
- Philippines

Equity Programming

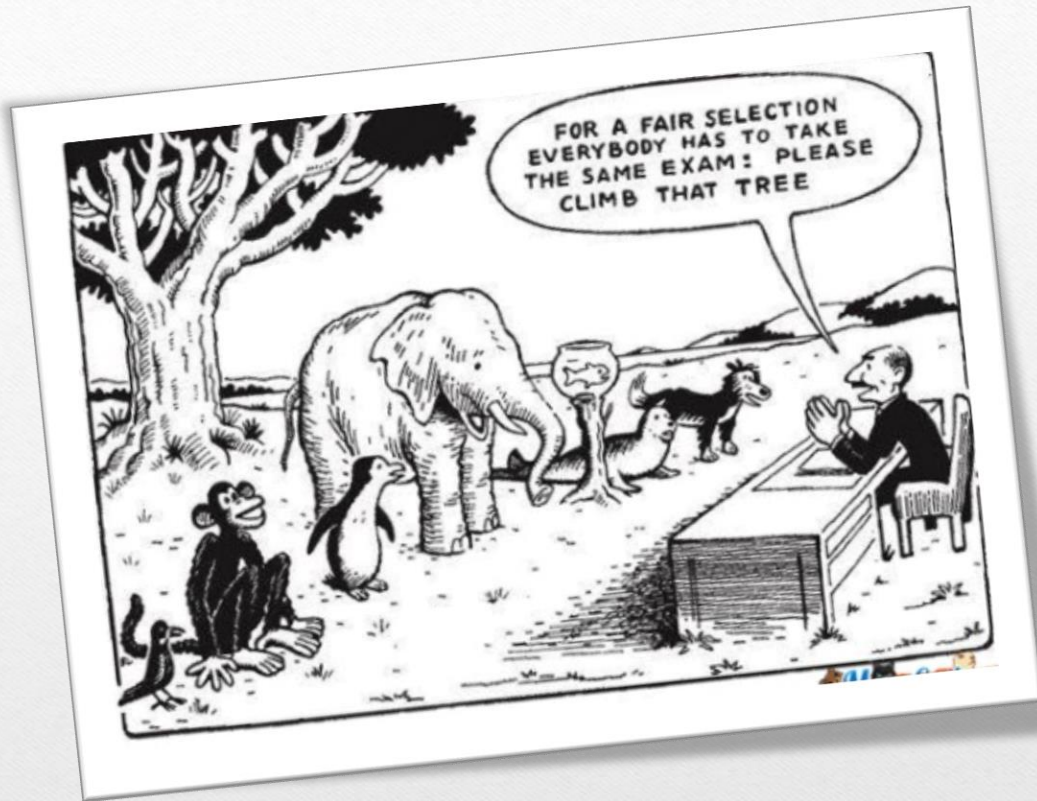

WHY IS EQUITY IMPORTANT TO OUR MISSION?

This is equality

This is equity

WHAT DOES EQUITY LOOK LIKE?

Tools to develop Specific WASH building blocks

- The UNICEF Advocacy Toolkit
- Monitoring of SWA High-Level Commitments
- ESI Costing Tool
- The World Health Organization (WHO) Track-Fin
- The DFID Value for Money (VFM)
- Sustainability Checks and Compacts
- UNICEF Accountability in WASH Reference Guide
- WSP/World Bank Sanitation Enabling Environment Assessment and Monitoring Tool
- The UNICEF Monitoring Results for Equity System (MoRES) Framework

Thank You
